## OC HUMAN RELATIONS COMMISSION DENOUNCES ALL FORMS OF HATE

Santa Ana, CA (DATE) An act of hate against one person is an act against all of us. It is a tactic to isolate and divide causing fear and anxiety not only among those who were targeted but within all other communities that have been victims of hate. *Hate Hurts Us All* and it is our responsibility to rise above the crises we face and co-create a more humane, equitable and just world for everyone.

Recently, <offer relevant information about the recent local or national hate crime or hate incident>. <Include relevant HC report data>

The mission of the Orange County Human Relations Commission is to “seek out the causes of tension and conflict, discrimination and intolerance and attempt to eliminate those causes.” We believe in everyone’s right to live free of racism, hate, discrimination, and bigotry no matter where you live. We are committed to fight racism and bigotry with love, empathy, compassion, and strength while promoting equity, inclusion, diversity and belonging for all.
